EDUCATION

New Media Technology **2023.3-2025.8**
LaGuardia Community College

While I was studying, I learned how to use design software, and used Figma and Adobe software to design posters, redesign software interfaces, design icons, and do video editing and film and video special effects.

International Cruise Crew **2017.9-2020.6**
JiangSu Maritime Institute

This major mainly studies English service terms such as hotels, restaurants, tourism, etc. Because the school cooperates with the cruise company recruitment agency, most of our students will go to different cruise companies.

JOB EXPERIENCE
